To Our Patients

We have designed our office to help provide you with the best dental experience possible. My staff and I look forward to caring for you.

We have placed a self-service coffee/tea station in the reception area, as well as cold, bottled water in the cabinet below it.

There is a telephone and bathroom for your use just inside the glass door and to your right. The bathroom has pre-pasted tooth brushes if you would prefer to brush before your appointment.

For your comfort, we have placed in our treatment rooms:

- ◆ Televisions and personal stereos
- ◆ Nitrous Oxide (laughing gas) - please try it, you will want it again!!
- ◆ Back massagers
- ◆ Neck rest pillows
- ◆ Blankets

If you find we have not called you back within 15 minutes of your appointment time, please mention this to our front desk staff. We truly try to see all of our patients as quickly as possible.

We hope you will enjoy your visit with us!
